Action Taken Report on Green Campus on the basis of Green and Environment Audit Report (2021-2022) prepared by Chemical and Environmental Research and Technology Innovation Society (CERTIS), Guwahati-11

1. A Green Committee was formed in the college for the session 2022-23. The committee is expected to initiate measures for environmental consciousness and take necessary actions.
2. Rain water Harvesting unit is installed at the college
3. Fire extinguishers are refilled properly and they are put in appropriate places.
4. Green spaces have been developed all around the campus through plantation of trees and shades for the benefits of the students are also constructed.
5. Water Purifiers are installed for providing drinking water facilities. Service quality of purifiers is maintained through AMC.
6. More toilets for both boys and girls are constructed in the campus.
7. Existing lights and bulbs are replaced by LED lamps and as a result of this replacement energy bill of the college has significantly come down.
8. The Green Committee has initiated a solid waste management programme which involves proper disposal of used plastic carry bags, plastic cups/plates/glasses and flex boards.
