File No:06/68/(viii)/2022/GHY/P&S

Dated 25.03.2022

To: Dr. Pranjit Kumar Nath
Principal
Radha Gobinda Baruah College, Guwahati

Sub: Request for support to roll out free training for different sections of society.

Sir,

I am glad to inform you that the Ministry of Electronics and Information Technology, Govt. of India has entrusted the National Institute of Electronics and Information Technology (NIELIT) Guwahati with the responsibility to train different categories of people from the society under a project "Capacity Building in IECT including training in Digital Skillsets and Current Industry Demanding Technologies for various sections of society in the NE States".

Under this special capacity-building drive, we are offering various awareness programs and training programs for target groups viz. Farmers, Women, Elderly people, School & college students, Graduates, Diploma engineers, Engineering Students & School teachers. We will also assist the eligible students such as graduates & undergraduates (technical/ non-technical) in getting the right placement after the training programs. Incubation for startups in IT & Electronics is also in the purview of this program. Out of all these training programs, we seek your valuable support to roll out the following programs among the right target groups in the vicinity of your college:

1. Awareness Programs: [short duration programs]

Awareness Programmes under "Digital inclusion for Digital equity"

Target groups	Training duration	Areas where training will be provided	Minimum batch size to conduct the program
Women (16+ age group)	3 days/ 15 hrs.	Awareness on Use of Mobile Applications for Digital Payment, e-Governance Services, IT applications, cyber security	50
School & College students	1 day	Awareness on Cyber Security & Emerging technologies	100
Students of Class XI & XII	6 days/ 36 hrs.	Any one of the following courses: I. Basics of Computers & Office Automation II. Basics of Graphics Designer III. Basics of Web Technologies & Programming Concepts IV. Basics of Computer Hardware & Networking V. Basics of Electrification and Solar Power Technologies	50 in each course

Short term Certificate Courses: [Certificate will be awarded to the students who cleared the examination conducted after each program. No students can opt for two courses simultaneously.]
