From the Principal's Desk

The broad objective of FYUGP is to empower student community through world class quality education and excellence in academic delivery. I am very much delighted to know that the RGBC Newsletter cell is going to release the issue for the session 2023. Apart from realising the goal of academic excellence the newsletter will highlight the activities of the different segments of the college as well as the individual talents of our faculty and students. It will disseminate the ideas to the reader about the journey of the college in academic and extension activities which will stimulate the new generation to step forward in right direction. With a view to attain the goal of excellence and strong leadership role this year has invited some changes to the college premises. Introduction of the concept of super 30 in H.S. classes, modernisation of computer Laboratory, extension of students union room, construction of RUSA class rooms, development of college playground for the better convenience of the students. Besides these activities, preparation for the 3rd cycle NAAC accreditation and in view of that SSR has also been submitted. The college has striven towards all round development with the collaboration of all concerned namely faculty members, non-teaching staff, parents, guardians, students and well wishers. We convey our sincere and profound appreciation with a fervid hope that they will ever continue to support and stand by the institution. We are confident that the college will reach glorious heights in the upcoming years through the combined efforts of all the stakeholders.
